## **“Tarzan’s Ultimate Guide To Baby Sizes Week-By-Week For Soon-To-Be Fathers!”**

### **Pregnancy Weeks 3-4**

If you look very carefully into the magnifying glass you’ll see a very, very tiny dot.

### **Pregnancy Week 5:**

*“You’re going to shoot your eye out, kid!”* Your baby is about the size of a BB now.

### **Pregnancy Week 6:**

There’s nothing to worry about. Your kid won’t be a nut, it’s just how big he is.

### **Pregnancy Week 7:**

Your baby is about the size of the power button on your TV remote.

**Pregnancy Week 8:**  
Got some spare change buddy? Your baby is now the size of a shiny quarter.

**Pregnancy Week 9:**  
Losing your marbles? I feel for you buddy. Your baby is now the size of one.

**Pregnancy Week 10:**  
Think you're a handyman? Your baby is about the size of the head of a hammer.

**Pregnancy Week 11:**  
Fore! The next time you swing your golf club, know your baby is about the size of a golfball.

**Pregnancy Week 12:**

Sure you're 10 inches. Your baby is the size of a small measuring tape this week.

**Pregnancy Week 13:**

Need some gas? Your wife has some. Your baby is now the size of the gas cap on your car.

**Pregnancy Week 14:**

Stressed out? I feel you. Now your baby is the size of a stress ball. You may need to buy one.

**Pregnancy Week 15:**

You obviously made it to home, congrats! Your baby is the size of a baseball.

**Pregnancy Week 16:**

Man, you are a STUD!  
Your baby is now the size  
of a small stud finder.

**Pregnancy Week 17:**

Gooooooooooooooooo! This  
week, your baby is about  
the size of a hockey puck.

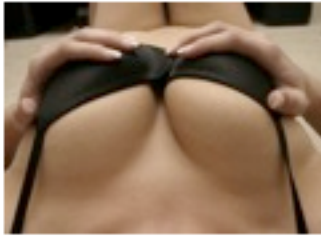

**Pregnancy Week 18:**

Mr. 5 o'clock shadow, your  
baby is now about the size  
of a small electric shaver.

**Pregnancy Week 19:**

Why do they call it a softball?  
It huts like hell when one hits  
you. Your baby is the size of one.

**Pregnancy Week 20:**  
Mmmm... Memories. This week your baby is now the size of one nice-sized boob.

**Pregnancy Week 21:**  
Cheers to the father-to-be! This week your baby is about as long as a beer bottle.

**Pregnancy Week 21-24:**  
You went long and deep and scored! Your baby is about the size of an over-inflated football.

**Pregnancy Week 25-28:**  
13 inch boot? You know what they say... Your baby is about this long during these weeks.

**Pregnancy Week 29-32:**

Your baby is now about 16 inches long, which is the size of the front wheel on the original Big Wheel.

**Pregnancy Week 33-36:**

The next time you look into your 17-inch computer screen, know that your baby is now that long.

**Pregnancy Week 37 to the big day:**

Your baby is the size of the electric motor in the \$110,000 2008 Tesla which can go from 0 to 60 in 3.9 seconds. Sweet.
